

KYMERA

THE WORLD'S FIRST REAL MAGIC WAND

buttonless gesture-based universal remote control technology

As seen on Dragons' Den

With just a swish and a flick of your wand you can control your iPod dock, TV, DVD player and much more – it's like real magic

Beautifully presented in a faux dragonhide-covered, silk-lined box – it makes the perfect gift

Compatible with almost all home equipment that uses an infrared remote control – learns up to 13 remote control buttons
